

TYNE TUNNEL

design the cars of the future

and win art equipment for your school

October 19th 2007 will mark the 40th Anniversary of the Tyne Tunnel. To celebrate we are inviting you to take part in a fun competition to create a painting or work of art that reflects cars of the future. What do you think cars will look like in the next 40 years?

All the entries we receive will be entered into a free prize draw. The winning entry will receive a voucher for £500 and a further three highly commended works will receive vouchers for £100 to be spent on art materials for their school.

The winners will be announced on our website www.tynetunnel.info on November 19th.

Please send your entries to: Felicity Amer, Bradley O'Mahoney Public Relations
56 Jesmond Road West, Newcastle upon Tyne NE2 4PQ.
