Dear Ms Howard,

New Tyne Crossing - Open Spaces

Thank you for your letter of the 18th June 2004, addressed to Brian Scott, which has been referred to me for my attention.

I confirm that parcel 105.06 is a car park. I also confirm that you have identified all parcels of land in South Tyneside within the limits of land to be acquired or used which are designated as public open space in the UDP. Further, the Council does not disagree with your assessment of the areas within the limits of land to be acquired or used which are or may be open space as defined in Section 19 Acquisition of Land Act 1981.

Yours sincerely,

Chris Hancock
